COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE (37 CFR 1.104 (e))

As an initial matter, the undersigned would like to thank the Examiner for the search and review of the above-captioned application and the allowance of claims in the Final Office Action mailed on 3/20/08. The undersigned submits herein a statement commenting on the reasons for allowance and respectfully requests that this statement be made of record.

Statement Commenting on the Reasons for Allowance

The Examiner, in the statement of reasons for allowance, appears to have referenced limitations from allowed method claim 32. Only some but not all of the referenced limitations are found in the other allowed independent claims. The independent claims in which all of the referenced language is not found are understood to be allowable for reasons that were not articulated by the Examiner. Thus, the undersigned notes for the record that this Statement for Reasons of Allowance was not intended and should not be used to read non-existent limitations into the claims or to produce prosecution history estoppel. Rather, each claim should be construed to include only those limitations that are explicitly recited in the language of the claim.

Respectfully submitted,
BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN LLP
